

SLIDING SCALE COLLABORATIVE LAW PROJECT
SCREENING QUESTIONNAIRE

	The Collaborative process allows you to make decisions that benefit you and your family outside of what a judge could ever provide for you, however, it only works if all parties are open to working together.		
	<u>QUESTIONS</u>	<u>YES</u>	<u>NO</u>
1.	Do both parties currently reside in the State of Oregon.		
2.	Is there any history domestic violence with your partner/other parent?		
a.	Is there currently a restraining order or no contact order in place between yourself and the other party in this case		
3.	Have you or anyone you know (friend/family/co-worker) had a family case handled in court?		
a.	Do you have a positive opinion about court litigation dealing with family cases?		
b.	Do you have a negative opinion about court litigation dealing with family cases?		
4.	Do you think your case would benefit from having an attorney involved to advise as to the legal and procedural aspects of your case?		
a.	Did you ever meet with an attorney to discuss your current family case?		
b.	Was your decision not to hire an attorney as a result of the financial cost associated with hiring an attorney?		
c.	Are you interested in a family law attorney representing you on a sliding scale rate in your current family case?
